Dear SATICI ® Shotblasting Machines Team

We have been effectively using your SATICI ® brand shotblasting machines listed below, which we have purchased from your company to be installed in the facilities of **HITACHI ABB POWER GRIDS** in Turkey :

1. SAT4000 DTN8 Vertical Sheet and Profile Auto. Shotblasting Machine since 2008
2. SAT 11x7xH6 HMKK Manual Blast Room since 2008
3. SAT 1200/1200 ATN3 Hook Type Auto. Shotblasting Machine since 2012
4. SAT 1000/1200 ATN2 Hook Type Auto. Shotblasting Machine since 2020

We sincerely thank to SATICI ® Shotblasting Machines' Design, Production and Assembly Team, who contributed to the production, installation and commissioning of the above-mentioned shotblasting machines, as well as SATICI ® Shotblasting Machines' After-Sales Services Team, who supported us for spare parts, maintenance and technical services after delivery of the above-mentioned shotblasting machines, for providing fast, reliable and accurate solutions to our demands and for being our solution partner.

Best Regards

Volga DİNCER
